It is that special meeting of the year when we don our yuletide apparel and come

together to celebrate the Jolly Season. This is the meeting to which you are urged to bring your whole family - wife, husband, kids, significant other. Don't eat dinner, just arrive hungry and ready to partake.

This year we are doing things a little different.. It will be a POTLUCK. Every one bring a main dish to share. The club will provide a large salad, rolls and butter, drinks and desert.

We will have a photographic gift exchange after our meal. For those that want to

participate please bring a wrapped gift that is photographic related (valued \$20 or more) that will make the recipient happy. Put under the tree

for Santa to distribute. We will draw numbers from the special bag and the lowest number will go first. You get the choice to keep the gift you opened or exchange it for one that is already opened (except the first person, they get to pick from all the gifts at the

end if they like).
